

SPANISH CEDAR

Cedrela odorata

Used for millwork, OHC imports the finest African Grown Plantation Spanish Cedar. It's an attractive species with medium luster, and straight to interlocked grain. Its coloring is light pinkish- to reddish-brown, and it darkens with age. It has excellent weathering properties and is resistant to termites. Spanish Cedar is easy to work using hand and machine tools.

Appearance & Grain

*Uniform Light Pink to Reddish Brown, Darkens with Age.
Straight to Slightly Interlocked Grain, Medium Texture.*

Fun Fact:

Spanish Cedar is the traditional wood used for making cigar boxes. It is also the standard wood used for the neck and lining of a classic acoustic guitar.
